**Categories:** Action/Read

1,

We look forward to seeing you on Monday morning at the Francis Crick room in 'We the Curious.' If you have any issues on arrival please call [REDACTED] at We the Curious on: [REDACTED]

Please arrive between 8.30am and 9am for coffee/tea.

We will start promptly at 9am.

We will break at circa 11am

Lunch will be served at 12.30pm for a working lunch.

In preparation for the workshop please do come with your own aspirations, key challenges in respect to the Northern Arc, Filton.

We intend the session to participative and we have plenty of material to capture thoughts and ideas.

We aim to capture the shared and common understanding of what is proposed, what are the issues at a regional scale, how does this translate into the scale of opportunity at Filton? Looking at Filton as an enabler to generating inclusive benefits that are far reaching.

Please see attached location map.

Have a good weekend.

Kind regards

Zoe
